

A stylized, light green leafy branch is positioned in the upper left corner of the page, extending diagonally towards the center. It features several elongated, pointed leaves with visible veins.

Latex Resist Leaf Plate Template

Get creative...
with my free Latex Resist Leaf Plate template!

This downloadable template provides the exact measurements of my original plate design, but it's completely adaptable—simply resize it to fit any plate by enlarging or reducing the pattern.

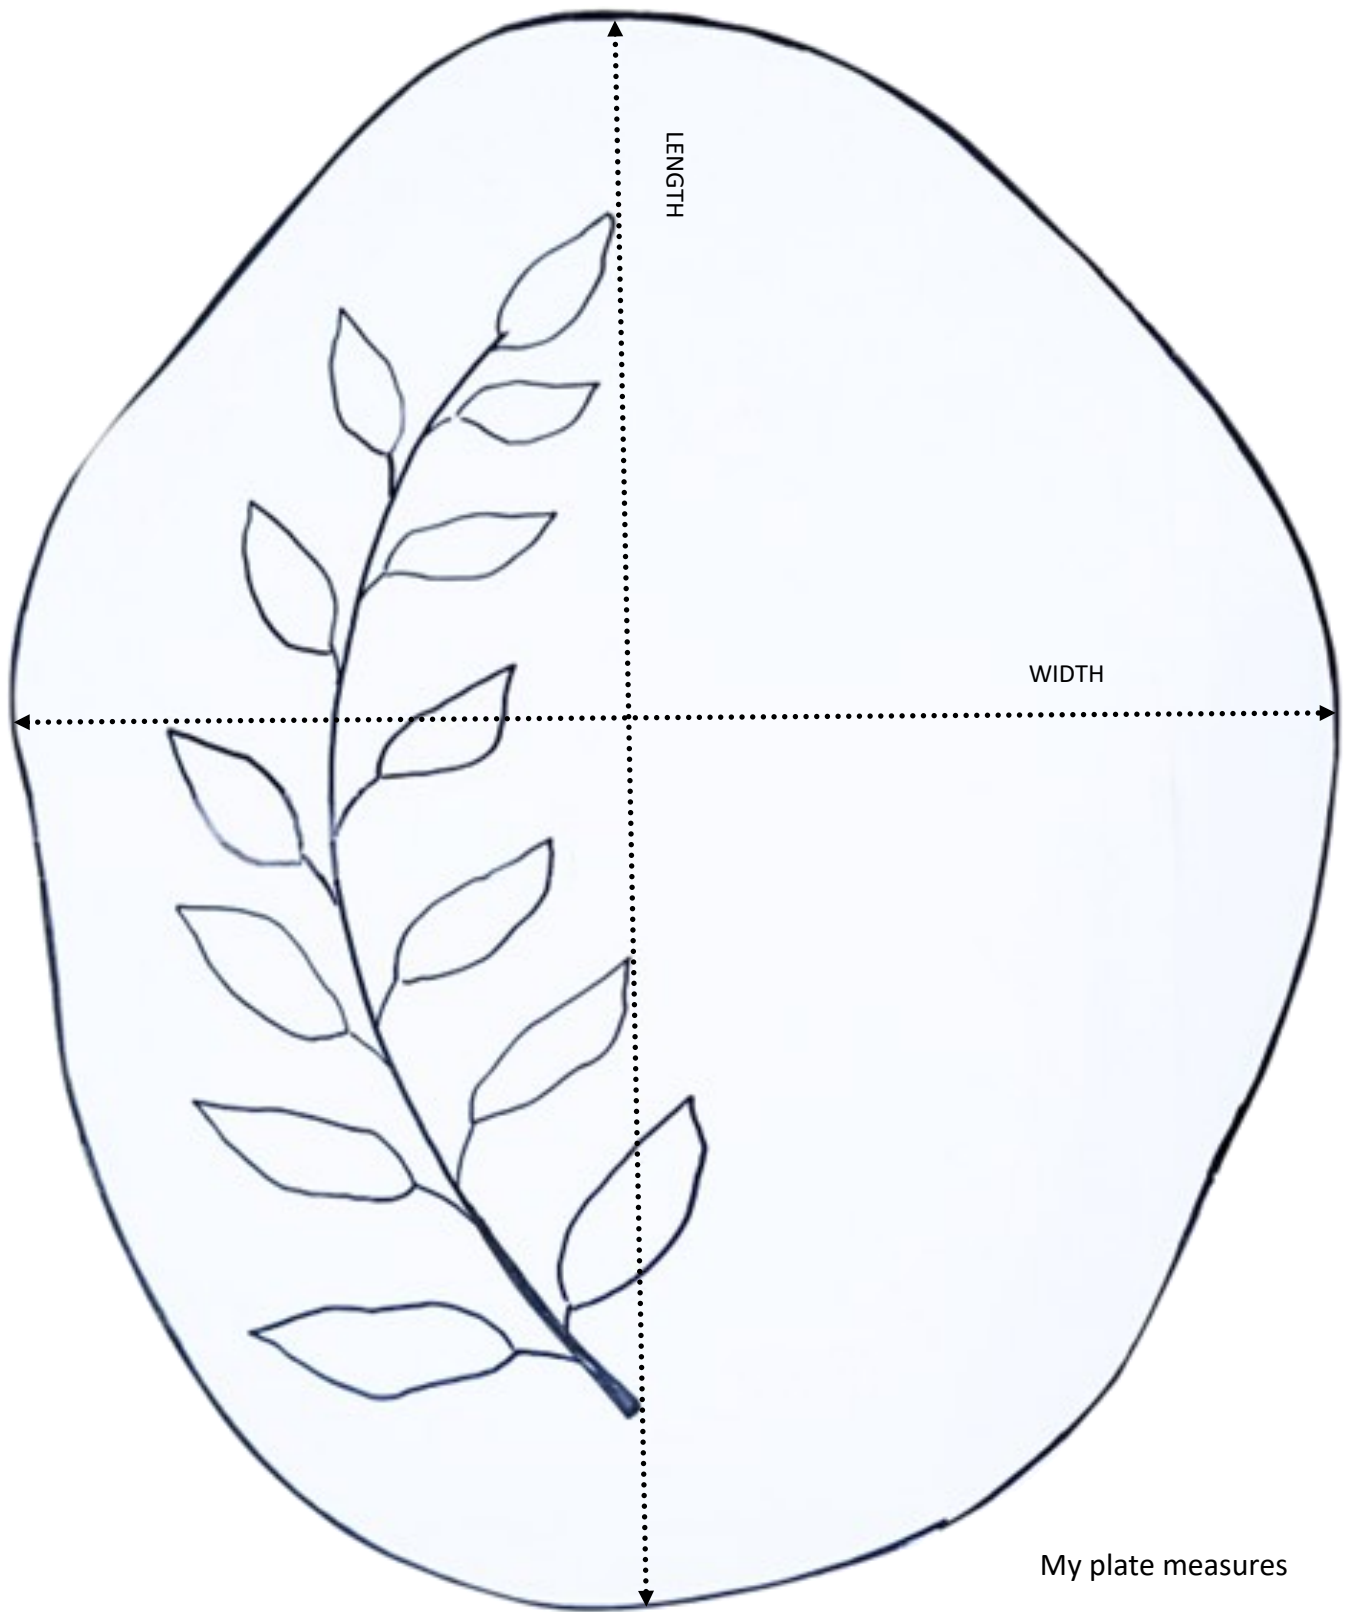

Whether you're a beginner or an experienced potter this template is a great starting point for experimenting with latex resist techniques and adding beautiful leaf designs to your pottery.

Enjoy the freedom to customize your plates while achieving a balanced and organic look every time.

Here is the link to the Tutorial on YouTube:
