

A 'Glazing Form Gift' Just for you!

I am excited to share something special with you - a set of glazing forms that I've created as a free download exclusively for my subscribers. These forms are designed to help streamline your glazing process and enhance your artistic expression.

Whether you're just starting out or looking to refine your techniques, these forms provide a structured yet flexible approach to glazing. I believe they can serve as a valuable tool in your creative toolkit, allowing you to experiment and discover new possibilities in your work.

To download your free glazing forms, simply [insert download instructions or link]. I can't wait to see how you use them in your projects! Feel free to share your creations with me - I love seeing your work and hearing about your experiences.

Thank you for being a part of our community.
Your support means the world to me!

Gratefully, Audrey

You can see the glaze forms in use by watching this link:
