

Latte Mug Profile Rib

A Special Gift Just for You! 📺

Hello, lovely potters! You've been watching, you've been throwing, and some of you have been asking... so here it is!

I'm super excited to share a little gift with my amazing community:
a FREE template of
my favorite latte mug profile rib! ✨

If you've seen my YouTube tutorial on throwing the perfect latte mug, you'll know this rib is my trusty sidekick for creating that classic, cozy shape.

And now, it's your turn to try it out!

Whether you're a seasoned pro or just starting your pottery journey, this template is here to make your throwing sessions smoother and more fun. ❤️

Download your free rib template and let's keep creating beautiful things together.
Your hands, my rib, and a whole lot of
clay magic - I can't wait to see what you make!

Here is the link to the tutorial:
